

SECTION 1 — WHY THIS MATTERS

If your money is mixed together, you don't own a business — you own a mess.

Before growth, hiring, expansion, or equipment purchases, your money must be clean and structured.

Separation creates:

- Clarity
 - Accurate profit tracking
 - Easier taxes
 - Loan readiness
 - Lower stress
 - Smarter decisions
-

SECTION 2 — CURRENT STATE REVIEW

Business Name: _____

Structure (LLC / PLLC / Other): _____

EIN Obtained? ☐ Yes ☐ No

Years Operating: _____

Current Monthly Averages:

Revenue: \$ _____

Expenses: \$ _____

Net Profit: \$ _____

Current Bank Accounts:

☐ 1 Business Checking

☐ 1 Business Savings

☐ Multiple Accounts

☐ Personal & Business Mixed

Notes:

SECTION 3 — REQUIRED ACCOUNT STRUCTURE

A stable clinic should operate with **at least three accounts**.

1 BUSINESS CHECKING (Operating Account)

Purpose: Daily operations only.

Money IN:

- Insurance reimbursements
- Patient copays
- Private payments

Money OUT:

- Payroll
- Rent
- Utilities
- Supplies
- Software
- Insurance
- Office expenses

This account is for activity — not savings.

Does all business income flow here? ☐ Yes ☐ No

Are all business expenses paid from here? ☐ Yes ☐ No

2 TAX + RESERVE SAVINGS ACCOUNT

Purpose: Stability and protection.

Each Month Transfer:

- _____ % for taxes (Recommended: 25–30%)
- _____ % for reserve (Recommended: 10–15%)

Operating Expense Target

Monthly Operating Cost: \$ _____

Target Reserve (3–6 Months):

\$ _____ to \$ _____

Current Reserve Balance:

\$ _____

Gap to Target:

\$ _____

3 OWNER PAY STRUCTURE

Owner should not take random draws.

Choose one:

☐ Fixed Monthly Salary: \$ _____

☐ Salary + Quarterly Profit Distribution

☐ Random Withdrawals (Not Recommended)

Owner Monthly Pay:

\$ _____

Is owner pay separate from business spending?

☐ Yes ☐ No

SECTION 4 — MONTHLY MONEY FLOW SYSTEM

Every Month:

1. Revenue lands in Business Checking.
2. All expenses paid from Business Checking.

3. Calculate Net Profit.
4. Transfer tax and reserve percentages.
5. Pay owner salary.
6. Leave remainder as retained earnings.

Write your monthly schedule:

Bookkeeping Day: _____

Transfer Day: _____

Owner Pay Day: _____

SECTION 5 — RED FLAG CHECKLIST

Never:

- ☐ Pay personal bills from business account
- ☐ Swipe personal card for business expenses
- ☐ Leave tax money sitting in checking
- ☐ Guess profit
- ☐ Increase pay without checking margins

If any are checked, fix immediately.

SECTION 6 — CLARITY TEST

You should be able to answer instantly:

What was revenue last month?

\$ _____

What were total expenses?

\$ _____

What was real profit?

\$ _____

How much cash reserve exists?

\$ _____
